FUTURE PLAN

Now a days we are working with world leading USA based ophthalmic company MBI and BVI . We have a partnership of a Phaco training center with a renowned hospital, Our next plan to set up a charity hospital for less privileged people in Bangladesh. We want see our self on top of Ophthalmic market in Bangladesh in terms of revenue & service. In that connection We are searching for a economic Product price ophthalmic company to market their products in Bangladesh.

THANKS
